

Friday 22nd April 2022

Dear parents,

I hope you and your children's first week back has gone smoothly, for many of the staff team, it has been very busy, as we have had OFSTED visit Platts Heath.

OFSTED at Platts Heath

Ofsted visited Platts Heath on Tuesday 20th April and Wednesday 21st April. It was a two day section 5 inspection as the school was judged to be requires improvement at its previous inspection. The report is due to be published in thirty working days. I will of course share the outcome and report as soon as I have it.

Thank you to the staff team who were involved for all their hard work, to the governors for their support and the parents and pupils at Platts Heath for their enthusiasm and support of the school.

Reconnect offers

The following information is offered from KCC reconnect, the organisation who offers the school holiday activities.

Kent's Big Writing Challenge Primary and Secondary Offer

We want children and young people to tell us about their local heroes, of all shapes and sizes, in entries of up to 500 words. Entries can be co-written with another child or young person, or individual, with a maximum of 3 writers for every entry. Stories can be about real local heroes or can be fictional. There are three different age categories: key stage 1, key stage 2, and key stages 3 and 4. The deadline for entries is 31st May 2022.

There will be district winners for each category and three overall category winners.

Winners will be presented with awards at a ceremony at Canterbury Cathedral on 30th August 2022, where all will receive a framed certificate and a commemorative book with all the winning entries. In addition to this, the three overall winners will receive a specially designed glass trophy and KCC will be funding a trip for the individuals' classes. Nick Butterworth, nationally renowned author of the Percy the Park Keeper children's books, will also be attending the awards ceremony.

This may be something that your child will be entered into through their school, but if they would like to take part outside of this, you can submit on their behalf. This is a great

opportunity to expand learning in English and Literacy.
