

Pupil premium strategy statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

Intent – Our Philosophy

Thirty-one percent of Platts Heath pupils are eligible for Pupil premium, this means they may be disadvantaged to achieving the same outcomes as their peers. This is based on the concept that deprivation consists of more than just poverty; so while poverty is related to not having enough money to live on, deprivation refers to a much broader lack of resources and opportunities. It is the intent of our school to dispel the gap between disadvantaged pupils and their non-disadvantaged peers.

The Pupil Premium is additional funding which is allocated to schools based on the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years. The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their more affluent peers. The percentage of our pupils eligible for pupil premium is higher than the national average for primary schools.

The Pupil Premium also provides funding for children who have been looked after continuously for more than six months and the children of service personnel. Overcoming barriers to learning is at the heart of our Pupil Premium Grant use. We understand that needs and costs will differ depending on the barriers to learning being addressed.

As such, we do not automatically allocate personal budgets per student in receipt of the Pupil Premium Grant. Instead, we identify the barrier to be addressed and the interventions required, whether in small groups, large groups, the whole school or as individuals, and allocate a budget accordingly. Our Priorities Setting priorities is key to maximising the use of the Pupil Premium Grant. Our priorities are as follows: Ensuring all student receive quality first teaching each lesson Closing the attainment gap between disadvantaged pupils and their peers Providing targeted academic support for students who are not making the expected progress Addressing non-academic barriers to attainment such as attendance, behaviour, well-being and cultural capital Ensuring that the Pupil Premium Grant reaches the pupils who need it most

Our Implementation Process

At Aspire we believe in selecting a small number of priorities and giving them the best chance of success. We also believe in evidence-based interventions and learning from our experiences, which is why we utilise annual light-touch reviews to ensure our

approach is effective and we can cease or amend interventions that are not having the intended impact.

We will: Explore

Identify a key priority that we can address

Systematically explore appropriate programmes and practices

Examine the fit and feasibility with the school Prepare

Develop a clear, logical and well-specified plan

Assess the readiness of the school to deliver the plan

Make practical preparations

Deliver

Support staff and solve any problems using a flexible leadership approach

Reinforce initial training with follow-on support

Drive faithful adoption and intelligent adaption

Sustain

Plan for sustaining and scaling the intervention from the outset

Continually acknowledge, support and reward good implementation practices

Treat scale-up as a new implementation process

Our Review Process

Pupil premium progress is high on the agenda and written clearly into our School/Federation improvement Plans. Annually reviewing a one-year pupil premium plan and creating a new plan each year is time-costly and ineffective. This three-year approach allows us to dedicate more time up-front and introduce light-touch reviews annually.

During a light-touch review, we will review the success of each intervention, based on evidence, and determine the most effective approach moving forwards – adapting, expanding or ceasing the intervention as required. The progress of pupil premium pupils is a standing item at subject meetings and regularly discussed at Leadership Level. The impact of all targeted pupil premium interventions are measured and reported to the Leadership Team throughout the year. Once the three-year term has been completed, a new three-year strategy will be created in light of the lessons

learned during the execution of the previous strategy, and with regard to any new guidance and evidence of best practice that becomes available. The Executive Head Teacher is responsible for ensuring a pupil premium strategy is always in effect.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<i>Mixed age classes and small year groups</i>
2	Attendance and mobile nature of GRT pupils
3	Progress of pupils that are PP and SEN
4	Balancing need for intervention and loss of time in other curriculum subjects
5	Pupils emotional well-being impacting on attendance and therefore academic achievements

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<i>To ensure all pupils make at least expected progress over the key stage in reading, writing and maths</i>	All pupils make at least expected progress from year 2-6 in reading, writing and maths - ie exp - exp
<i>To ensure that pupils that are both PP/SEN make expected progress from their own baseline</i>	Progress of individual pupils is on track for expected throughout the course of the pupil trajectory (Year R - Year 6)
<i>To improve outcomes in maths at year 2 and 6 annually</i>	Targets set of year 2 and 6 maths met or exceeded
<i>Close the gap in both outcomes and progress between PP and all pupils</i>	Ensure PP achieve in line with non PP in terms of progress and attainment - see target setting
<i>Tailored nurture provision for pupils with SEMH needs</i>	Pupils feel supported in school to attend and make progress in academic subjects

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 12,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Improving the impact of feedback</i>	EEF - high impact, low cost + 6 months impact	1,2,3
<i>Nurture provision - boxhall</i>	EEF 3 Low cost - impact of 4+ months progress	1,3,5
<i>Within class attainment grouping</i>	EEF - moderate impact for moderate cost + 2 months	1,3,4
<i>Targeted teaching assistant interventions</i>	moderate impact for moderate cost + 4 months	1,2,3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 7000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Targeted teaching assistant interventions</i>	EEF - moderate impact for moderate cost + 4 months	1,2,3
<i>Communication and language approaches - EYFS</i>	EEF - very high impact for very low cost + 6 months	1,3,4

Wider strategies (for example, related to attendance, behaviour, wellbeing)
